**The Westerlies** — March 1

This young New York brass quartet is dedicated to a new repertoire in the narrowing gap between American folk music, jazz, classical, and indie rock. Their recent CD, "Wish The Children Would Come on Home," won critical acclaim from, among others, NPR's Fresh Air, and *Jazz Times*.

**University of Pittsburgh Men's Glee Club** — April 19

The Pitt Men's Glee Club is the oldest extra-curricular organization at the University of Pittsburgh, as well as the first collegiate musical ensemble. This year the Glee Club celebrates its 125th Anniversary.
