

Round: The Years

John McCaughey

for LP, three decades on from the Old Customs House, September 2, 1988

The years passed like the clouds,
as Eichendorff has found.
Midst chances lost in crowds
drifts out at last a Round!

Andante nuvoloso

The years passed like the clouds,
as Ei - chen - dorff has found;
midst chan - ces lost in crowds
drifts out at last drifts a Round!
