

q.e.d

a birthday round

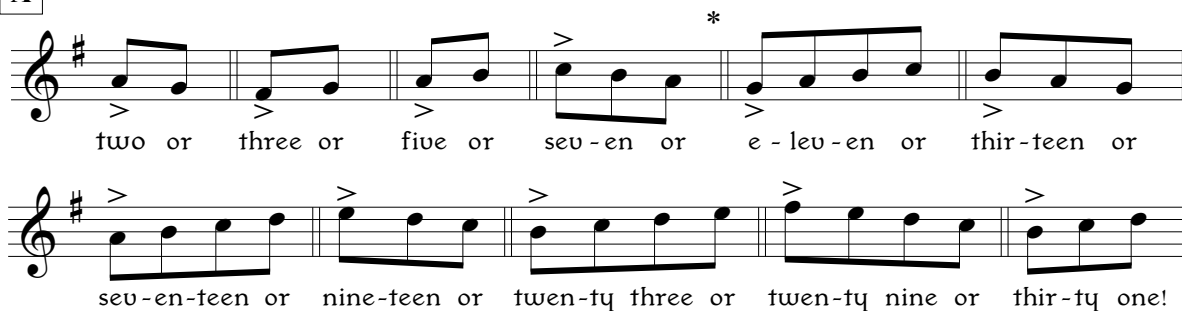

polansky

1

Se - ven - ty one is not diu - i - si - ble by

A

two or three or five or sev-en or e-leu-en or thir-teen or
sev-en-teen or nine-teen or twen-ty three or twen-ty nine or thir-ty one!

2

(may be repeated as a ground bass)

That just proves, he's in his prime!

Sing 1 together, then start rounding on **A**, up to 11 parts. Come in at **A** when a previous voice has reached any double bar. Sing through, to 2, and then to 1, but now as part of the continuing round.

For a shorter version, just as true, go directly from * to 2.
