1. Come all of you from oth-er parts, both cit - y folk and ru-ral,

2. And lis-ten while I tell you this, the word y'-all is plu-ral.

3. Wel - come, all wel-come, wel - come to y' - all.

Begin with the ukulele line, which continues as accompaniment throughout the round.
Sing just lines 1 and 2 as a round for a few times, then add line 3.
Either finish with a hold on each singer's last note, or finish with the ukulele, solo.
