Algorithmic music

it's fun to get a computer

I have music

to write music, music!

It's hard because there are so many choices and things don't always come at all right.

It's fun to get a computer

to write music, music!

But it's hard because there's so many choices and things don't always come out all right.
it's fun to get a computer

to write music, music!

but it's hard 'cause there's so many choices and things don't always come at all right.
