by Larry Polansky (and Jody Diamond)

American Gamelan Institute  
Box 1052, Lebanon, NH 03766

July 9, 1993/June 24, 1999  
rev. 10/11/05

## **A note to all users of this book**

This book of beginning genderan is intended as shareware. The whole book or any part may be freely copied and used in any way, as long as it is appropriately credited.

I will update and edit it frequently, and a most recent "edition" can always be obtained from the American Gamelan Institute . I hope that users and readers will send in corrections, additions, variations, comments, and so on, which I will add to future editions. Contributors will be acknowledged, and I will gratefully send a replacement copy of the book to anyone who makes enough edits, comments or additions that sending me a marked-up copy of their only copy is warranted.

Larry Polansky  
Lebanon, NH
