Corner knew  
what was going on  
who could see  
weren't we all sit-  
ting there

learned by asking  
he really wanted everyone  
ready to say so.  
we got going  
our to join  
unset- role he just  
asked patterns got complicated  
requesting requir-  
ing

"wha"  
"sss"  
event  
free  
it is what he said.  
"t"  
"y"

Corner gave a startling, wild,  
despairing cry.  
unforgettable

gentle, mur-

Corner seemed to have raised
