

♂ I said to my Yang that his Yin has a yen for him.

♂ I said to my Yin that her Yang has a yen for her.

---

à 2 - a woman and a man - of course.

First one sings it through; then the other.

And then as a round: Start at a one-measure interval; progressively move the entrances back by one beat; when arrived at the point where they are only one beat apart there may be an addition of more voices, one beat further each time: There are places for 8 voices.

To end, once through on a good strong unison.
