

3/4  
Dum deedum deedum oh!

4/4  
dee dum dee dum dee dum oh!

Sing this in unison first . . . . . Then . . . . .

I wanted to write the silliest thing i could think of.  
(Isn't this it!?)

Also to do a round with un-roundlike harmonies.  
... this makes what is normally "complex"  
into something more than childlike. It got  
even more direct, then . . . . . next page . . . . .
