Solstitial
Happy Birthday, Amy!
a round for three

If you live in Ecuador,
on December twenty-one, travel

If you live in Winnipeg,
on December twenty-one, ice

Whether you live north or south,
on December twenty-one, either

Whether you live south or north,
on December twenty-one, though

- skate at the shore and soak up the sun.
- pen wide your mouth and count up to one.
- keep your voice horth before you've begun.

And while you're doing it, sing: Happy Birthday to you, dear Amy.
And while you're doing it, sing: Happy Birthday to you, dear Amy.
And while you're doing it, sing: Happy Birthday to you, dear Amy.
just keep on doing it. Sing: Happy Birthday to you, dear Amy.
