

ימי (eemee)

for the Early Experimental Music Ensemble,
UC Santa Cruz

1.

There's just one thing we know is true: we could play mu-sic old and new. We can play

bell, resonant metal

tamb., rasp, bell stick, etc.

med. pitch tom

bass, or low drum

wood block

2.

There's just one thing we know is

mu - sic old and new. There's just one

tam-tam, gong

bell, resonant metal

a round in two parts for voices,
two percussionists, and any other
instruments (orchestrate freely)

2 percussion voices (one per sung voice).
Other accompaniments remain with
voice 1.
