Write a few sentences in answer to each question. Take into account how your thoughts have changed from the beginning of the quarter, until now, based on the guest speakers, the lectures, the readings, and most of all, your own ideas.

1. WHAT IS YOUR NAME???
2. What is music?
3. Is music a language?
4. Is music an evolutionary adaptation to do something? If so, what?
5. What’s the most surprising or amazing thing you learned from one of the guest lectures?
6. What has connected you personally the most, out of all that you’ve learned?
